Penfield Green Initiative Vision Statement:
The Penfield Green Initiative began in D12c
2007. We are Penfield residents who want
to promote positive environmental action &
provide a forum for the general public to be
involved supporting a "green Penfield."

We encourage people to attend any of the
following events or meetings. E-mail us with
your comments & permission to publish
them in the next monthly newsletter. Please
let us know of any other Environmental
Issues or events. We'd enjoy hearing from
you.

[Please Friend these groups](#)

PLEASE ATTEND THESE JULY EVENTS

Penfield Trails Scenic Treks

Free Guided Paddle – Ellison Park Sat, July 5: 9-11am

Enjoy a paddle down Irondequoit Creek in a
canoe or kayak. Meet at Ellison Park south
entrance where we will paddle to LaSalle's
Landing Park on the bay. Please provide
your own canoe or kayak. Personal flotation
devices (PFD) must be worn & supplied by
the individual. No one will be allowed to
participate without a PFD. Look for the hike
signs!

Free Guided Hike – Abraham Lincoln Park Sat, July 5: 9-11am

Explore the ups & downs of this county park
from wooded uplands to the bay shore trail
connections. Look for the hike signs!

Meet at end of Smith Rd cul-de-sac off
Empire Blvd.

While these hikes are free, participants are
asked to pre-register by calling Penfield
Recreation at 340-8655, option 6

For a list of all Penfield Trails:
www.penfieldrec.org/Penfield_Trails.php
[facebook.com/PenfieldRecreation](https://www.facebook.com/PenfieldRecreation)

Barn Owl 1807 Penfield Rd

Fireflies- Thur July 3: 7:30-9pm

What color does a firefly flash? We'll learn
all about fireflies & how we can help
scientists protect these magical beetles.
Hands-on activities & experiments as we
wait for dusk \$10/family

Butterflies - Sat July 13: 2-3pm

Explore the fluttery world of butterflies, learn
about their life cycle & make a craft to take
home. \$10/child

Stream Explorers - Sat July 18: 2-3:30pm

Visit another world & stay cool this
afternoon. We will explore Irondequoit
Creek in nearby Philbrick Park & learn about
some aquatic residents. \$15/child

Insect Investigations - Sat July 25: 2- 3:30pm

Calling all insect lovers! We'll explore the
wide world of insects found right in our
backyard & make some insect observations
tools to use at home. \$15/child

Ladybug Picnic- Sat July 26: 2-3pm

Bring your blanket for this family program!
Learn about ladybugs, hear a ladybug talk,
enjoy a snack & make your own ladybug
craft. \$10/family

Sustainable Saturdays

Rochester Greenovation

1199 East Main St

288-7564 or email at

info@rochestergreen.org

Sustainability is our Life!

The 2nd Saturday of every month is A
Sustainable Saturday

July 12: 10am-3pm

On Sustainable Saturdays we attempt to
demonstrate through education &
networking how to reclaim, renew & redefine
salvage of all kinds towards the prevention
& reduction of generated waste.

This monthly event brings together
environmental groups, non-for-profits, green
businesses, community organizations,
craftsmen, artists & food vendors all for the
purpose of demonstrating various ways to
leave a smaller footprint on the earth.

We look forward to you joining us on this
adventure!

www.allianceforagreenecconomy.org/
www.facebook.com/pages/Alliance-for-a-Green-Economy/285276468194948
Alliance for a Green Economy (AGREE) works for safe, affordable energy & the development of a green economy in New York State. Our goal is a prosperous, safe, & healthy New York, fulfilling the promise of conservation, energy efficiency, & safe, clean renewable energy sources to end our state's reliance on wasteful & environmentally destructive forms of energy. The Alliance works to promote this transition to a carbon-free and nuclear-free future & educates the public about alternatives that can revitalize the economy & safeguard human health and the environment.

Environmental Advocates of New York's mission is to protect our air, land, water & wildlife & the health of all New Yorkers. Based in Albany, we monitor state government, evaluate proposed laws & champion policies & practices that will ensure the responsible stewardship of our shared environment. We work to support & strengthen the efforts of New York's environmental community & to make our state a national leader.

facebook.com/EnvironmentalAdvocatesofNewYork

www.earthhour.org/

Sat Mar 29 millions of people around the world switch off their lights for Earth Hour at 8:30pm in their local times on the last Saturday in March each year.

facebook.com/earthhour

It is an event that aims to create awareness of people taking responsibility towards a sustainable future by turning the lights off.

Some people enjoy Earth Hour with a candle-lit dinner, while others host large events or parties, either in darkness or with candles, to celebrate Earth Hour.

Businesses & government organizations, as well as community & political leaders also take part in Earth Hour. It's about giving people a voice on the planet's future & working together to create a sustainable low carbon future for planet earth.

www.search.earth911.com/

Your best resource to live a lower-waste lifestyle. We're not looking to turn your life upside down, but rather, to make some interesting, simple & effective changes that have a real impact.

facebook.com/Earth911

www.ecocycle.org/

Eco-Cycle's mission is to identify, explore & demonstrate the emerging frontiers of sustainable resource management through the concepts & practices of Zero Waste. We believe in individual & community action to transform society's throw-away ethic into environmentally-responsible stewardship.

Finger Lakes Land Trust
facebook.com/FingerLakesLandTrust

www.foe.org/

Friends of the Earth strives for a more healthy and just world. We understand that the challenges facing our planet call for more than half measures, so we push for the reforms that are needed, not merely the ones that are politically easy. Sometimes, this involves speaking uncomfortable truths to power and demanding more than people think is possible. It's hard work. But the pressures facing our planet & its people are too important for us to compromise.

facebook.com/foe.us

www.foodandwaterwatch.org/

Food & Water Watch works to ensure the food, water & fish we consume is safe, accessible & sustainably produced. So we can all enjoy & trust in what we eat & drink, we help people take charge of where their food comes from, keep clean, affordable, public tap water flowing freely to our homes, protect the environmental quality of oceans, force government to do its job protecting citizens & educate about the importance of keeping the global commons — our shared resources — under public control.

facebook.com/FoodandWaterWatch

www.RenewPenfield.org

A one-stop resource to learn more about energy conservation & opportunities to reduce home & business energy expenses

www.reuseitnetwork.org/#groupinfo

The ReUselt Network is an on-line forum that serves as a tool to make connections between community members who want to help each other, themselves & their environment. In a disposable society where many items are discarded long before they have actually outlived their use. The ReUselt Network helps get things from people who have them but don't want them to people who want them but don't have them.

Our goal is to find new uses for unwanted items that would otherwise be thrown into the trash. The primary benefit is that it reduces the amount of reusable items that end up in the trash with a secondary benefit of reducing the overall amount of items thrown into landfills. Reusing items not only cuts down on goods in landfills, but also

helps reduce the strain on our natural resources by keeping useable items in circulation, reducing the need to manufacture additional goods.

The ReUselt Network also provides an opportunity for those looking for an item to ask for it. Requests for items may jog the memory of someone who has an unused item stashed in the garage or basement waiting to be used. It is a great way to help get rid of those things which we may have forgotten, giving every member the chance to ReUselt! All transactions must be free, legal & family-friendly.

The Endangered Species Coalition is a national network of hundreds of conservation, scientific, education, religious, sporting, outdoor recreation, business & community organizations working to protect our nation's disappearing wildlife & last remaining wild places.

www.sunnking.com/

The mission of Sunnking is to provide superior asset management & recovery services to business & government organizations by using proven reuse & recycling techniques that maximize asset value, promote environmental sustainability & meet the data sanitation requirements of our clients.

[facebook.com/Sunnking](https://www.facebook.com/Sunnking)

NOTE: Donors can drop off their electronics for responsible recycling at any Goodwill donation site. Electronics are brought back to Goodwill's headquarters, sorted & packaged by Goodwill employees for pickup by Sunnking. Goodwill accepts many forms of electronic equipment, including all computer components, printers, TV's, telephones, card readers, circuit boards & more. For a complete list of items that can be accepted & recycled with Sunnking.

World Environment Day

Think.Eat.Save is an anti-food waste and food loss campaign that encourages you to reduce your foodprint. According to the UN Food and Agriculture Organization (FAO),

every year 1.3 billion tonnes of food is wasted. This is equivalent to the same amount produced in the whole of sub-Saharan Africa. At the same time, 1 in every 7 people in the world go to bed hungry and more than 20,000 children under the age of 5 die daily from hunger.

www.un.org/en/events/biodiversityday/

Protecting biodiversity is in our self-interest. Biological resources are the pillars upon which we build civilizations. Nature's products support such diverse industries as agriculture, cosmetics, pharmaceuticals, pulp & paper, horticulture, construction & waste treatment. The loss of biodiversity threatens our food supplies, opportunities for recreation & tourism, and sources of wood, medicines & energy. It also interferes with essential ecological functions.
